

## FundScrip Fundraising Opportunity

## About FundScrip

- largest gift card fundraising company in Canada
- Has raised over 1,000,000 for charities and non-profits since 2004
- Used by any person or group of people (called "supporters") wanting to raise funds for a cause, project, or endeavour
- Easy way to raise money without having to spend any extra!

## How It Works

- Designed to benefit any non-profit group or charitable organization where members and supporters collectively fundraise for one cause
- Very simple process: supporters (you) purchase prepaid retailer cards (gift cards, shopping cards, etc) from FundScrip and use them instead of cash for your monthly purchases at retailers we all know and love!
- Cards include: Groceries, gas, clothing, dining out, home improvement, travel, gift giving, and more!
- Up to 15% of each dollar spent is contributed to the organization

## How It Works Continued

- All you have to do is use the cards and shop normally! You don't have to spend any extra money at all! Great for Budgeting!!
- You can also get others involved! Friends, family, neighbors, anyone!
- You have to shop anyway, so why not shop while raising money for a good cause!
